

Xprinter®

# K82 PORTABLE TATTOO PRINTER

## Revolutionizing Your Tattoo Experience

K82 is specially designed for tattoo use, featuring a lightweight and wireless design that fits in one hand, weighing less than 1.5 lbs.

Its built-in rechargeable battery ensures you're never tied down by power cords, delivering convenience and ease of use for tattoo artists on the go.

 **LIGHTWEIGHT & PORTABLE**  
Less than **1.5 lbs**

 **Bluetooth connection**  
Built-in Rechargeable **Battery**

## POWERFUL FEATURES

**TAT**

### Professional Design

100% free for all users, with abundant themed templates and full free design features, users can print anytime with complete peace of mind.

### New Generation Printhead

Equipped with self-developed latest thermal printhead, delivering stable, high-efficiency printing all the time.

**HD**

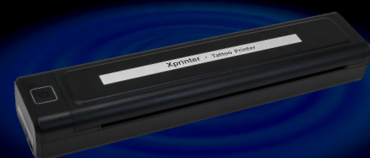

### High Quality Inkless Printing

Advanced thermal technology and image algorithms deliver clear, precise patterns and lines.

### Quiet Operation

Silent design reduces noise during printing, ensuring a quieter and more comfortable work environment.

### Long-Lasting Battery

Equipped with a high-capacity 1500mAh lithium battery. One full charge lets you print up to 154 sheets.

### Single Charge

### Wide Compatibility

Works seamlessly with smartphones, tablets, laptops, and desktop computers.

• Portable & Compact

• Easy to Use

• Stable Performance

• Perfect for On-the-Go Artists

## “Graffiti tattoo at any time

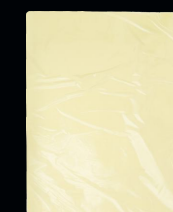

Make your tattoo creation more convenient and flexible”
